

Item #40500

Lotus Seed Liquid Face Lift™

Lotus Lift is a refreshing non-invasive face lift which offers an intensive brightening, firming and lifting look, leaving your skin with a natural radiance and glow. The rich and luxurious blend of ingredients will help to replenish your skin's natural moisture barrier. The resulting natural lift will leave your skin looking less stressed and more refined.

Use daily. Apply an adequate amount on thoroughly cleansed skin. Leave on for 7-10 minutes as you relax. Allow yourself to be refreshed and rejuvenated as the mask dries. Rinse thoroughly with cool water and gently pat your skin dry.

Warning: Keep out of reach of children. For external use only. Avoid contact with eyes.

INGREDIENTS: Water, aloe vera, acacia, corn starch, carrageenan, noni juice extract, lotus seed extract, colloidal minerals, silk amino acid, polysorbate, fragrance, hops extract, rosemary extract, horsetail extract, pine bark extract, lemon extract, diazolidinyl urea [and] iodopropynyl butylcarbamate.

Item #45427

Anti-Aging Serum™

Formulated to be used as a more intense skin treatment to help diminish the appearance of fine lines and wrinkles while imparting a healthy glow to the skin.
