

Majestic Earth® Classic®

A liquid vitamin, mineral and amino acid line of supplements containing a highly bioavailable complex featuring PLANT DERIVED MINERALS™ and other beneficial nutrients.

Item #41201

With today's active lifestyles, almost all of us are lacking essential nutrients such as amino acids, vitamins and minerals. New Zealand Longevity's Majestic Earth Ultimate® line of liquids is formulated to feed your body those vital nutrients. The unique properties of Majestic Earth Ultimate® make it the ultimate in absorption and completeness. It's so completely loaded with up to 77 minerals and nutrients, such as bio-flavonoids and grape seed extract, that virtually no other supplementation is needed. Give your body the ultimate fuel with the Majestic Earth Ultimate® line of liquids. Exercise and a healthy diet with enough calcium help teens and young adult women maintain good bone health and may reduce their high risk of osteoporosis later in life. Adequate folate in healthy diets may reduce a woman's risk of having a child with a brain or spinal cord defect.

- Packed with nutrients
- Highly absorbable liquid

Classic®

**Ingredients: Each 30mL contains**

Vitamin A (as Retinol Palmitate)	2.94 mg	Iron (as gluconate)	4 mg	Grape Seed
