

Item #42971

Ultimate Selenium™

For decades, the importance of Selenium was unclear. Today, Selenium is one of the most-documented and widely-studied trace elements known. Selenium is an essential nutrient to the human body, which humans require, but cannot make. These nutrients must be provided in the diet or in supplement form. Selenium is also considered to have

“anti-oxidant properties” which have been identified by the National Academy of Sciences as a substance in foods that significantly decreases free radicals (e.g. reactive oxygen) and reactive nitrogen substances (e.g. N-nitroso compounds). Vitamins C and E are examples of other anti-oxidants.

Recently the FDA authorized the following health claims submitted by American Longevity® and Dr. Wallach.

\* “Selenium may reduce the risk of certain cancers. Some scientific evidence suggests that consumption of selenium may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive.”

\*\*“Selenium may produce anticarcinogenic effects in the body. Some scientific evidence suggests that consumption of selenium may produce anticarcinogenic effects in the body. However, the FDA has determined that this evidence is limited and not conclusive.”

Selenium™

**SUPPLEMENT FACTS**

Serving size: 1 Capsule    Servings per Container: 90

	Amount Per Serving	%Daily Value		Amount Per Serving	%Daily Value
Vitamin A (100% as beta carotene)	2500 IU	50%	Bilberry fruit p.e.**25% anthocyanidins	10 mg	†
Vitamin C (as ascorbic acid)	120 mg	200%	Vanadium (as vanadium amino acid chelate)	75 mcg	†
Vitamin E (as d-alpha tocopheryl acetate)	30 IU	100%			
Zinc (as zinc amino acid chelate)	5 mg	33%	* Powdered extract		
Selenium (as selenium amino acid chelate)	100 mcg	143%	** Standardized powdered extract		
Copper (as copper amino acid chelate)	500 mcg	25%	† Daily Value not established		
Chromium (as chromium amino acid chelate)	100 mcg	83%			
L-Aspartic acid	150 mg	†	<b>Other Ingredients:</b> Gelatin capsule (gelatin and water)		
Aloe Vera Gel p.e. 200:1	10 mg	†
